Stay back were-dog! This is one cat--
YOU WON'T BE CHASING!

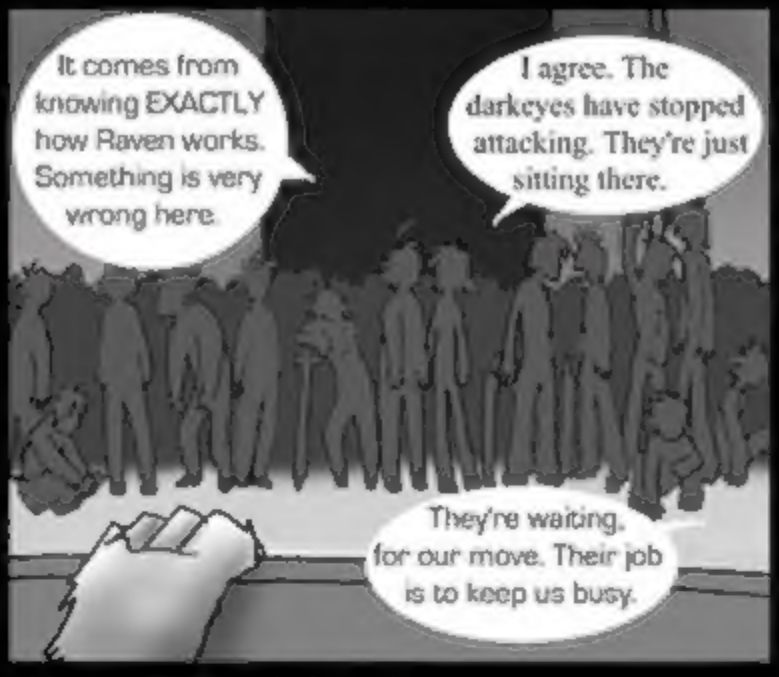
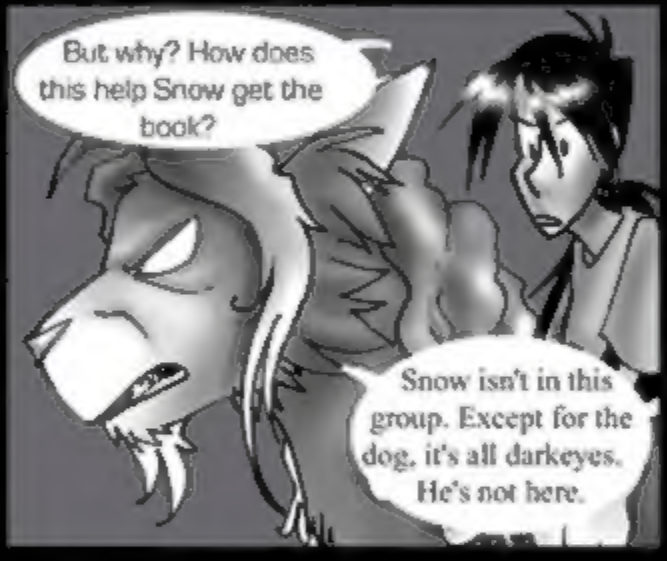
Blitz! Hold on!
Too squishy... can't breathe...
Errrg! Won't... BUDGE!
Credenza (wheeze)
Don't worry Blitz, you'll be free in no time.
FLASH!
Oof! Almost got it!
C-Credenza!
(GASP!)
Well, well, well, look what I found.
I thought you were long gone, girly.
This time I'll make sure you stay dead.

I want to savor this meal.
SLICE!
!?!!
ARROOOO
Hurry Credenza! Over here!
Peh, it's always the canines that turn man-eater.
Blitz! Are you okay?
He's out cold.
C'mon Blitz, it'll take more than a little suffocation to kill you, say something!
Nrg... fine...
You're lucky I'm still here after what you did last time.

Are all the little girls safe? Did they get away?
This is bad, this is REALLY BAD!
The girls are fine. They'll be in the basement by now.
Doesn't matter. We're all dead anyway.
Your birdboy is quite the pessimist.



It comes from knowing EXACTLY how Raven works. Something is very wrong here.
I agree. The darkeyes have stopped attacking. They're just sitting there.
They're waiting, for our move. Their job is to keep us busy.



But why? How does this help Snow get the book?
Snow isn't in this group. Except for the dog, it's all darkeyes. He's not here.

If he's not here, he's hunting down the book. We need to get out of here.
NO PROBLEM!

WE'LL HANDLE THESE GUYS.
You and Mom find Snow, before he gets the book.
Good. But we have to hurry, he's got a head start.

Lets go!

-and she's my second favorite, but THIS is Twilight-Moonbeam, the bravest heart kitty princess of them all.
Uh, this IS the way to the basement right?
Of course Mr. Luck. Now, this-

(sigh) Where are you Riley?

MR.LUCK, A MOMENT PLEASE. DON'T TURN AROUND, ACT NORMALLY.

I DON'T PRETEND TO KNOW EVERY GIRL IN THE ABBEY BY NAME.
BUT WE SEE EACH OTHER EVERY DAY, WE'RE LIKE A FAMILY.

BUT THAT GIRL IN THE BACK, I'VE NEVER SEEN HER BEFORE. SHE'S NOT A NUN.

SOCK!
FLSSHH
CRACKLE
MRRRW
ATTACK!
No, this isn't going anywhere.
We need to get out of this mob, or we'll never catch Snow.
SCOOP-
THUMP!

WHOOSH!

CATCH!

The abbey was built to withstand attack.
There are dozens of secret passages.

This one will take us to the floor with the book.
I only hope we can get to the List before Snow does.
Whimper...

Hmph. It seems the jump spooked your bird-boy.
Uh.... Raven?

You can let go now.
Gladly, just as soon as the room stops spinning.

Thanks again for carrying me mister Luck.
Oh, no problem. How much farther is the basement?

It's right down the next corridor.
oh-no oh-no
OH-NO!
WHAT'S ALL THAT NOISE?

Two of the girls are missing! I think one of them was sick!
AH-AHWAAAUU!

Go on ahead to the basement, I'll go and get the lost girls.
But what about you?
I'll be fine, but there's something I need to do.

Well this is a fine kettle of fish. First Riley, now this. What else could go wrong?

BRING!

SLASH!
AAAAAUUGH!

RUMBLE
RUMBLE
RUMBLE
CLUNK!
CRASH!
BONK!
FOOMP!
SQUISH!
THUD!
OOF!
OW!
Why did no one mention the giant SLIDE part of this short cut?
I warned you there would be a slight drop.
If that was a "slight drop," then I am the King of Candyland.
If his highness has gotten off his royal tuckus, we need to move. Who knows how close Snow is to the book.
KOFF!
Wait a minute, did you hear that?
KOFF!
KOFF!
Hold on Mia, we'll be okay.
